### **TANDEM**

TANDEM IS NOT YET AVAILABLE THROUGH PURCHASE VIA THE MAPC PROGRAM. IT WILL BE IN THE NEAR FUTURE AFTER MODIFICATIONS TO MEET MAPC STANDARDS.

### **BOLT ON BIKE RACK**

Designed to utilize the posts of existing meter poles. As cities and municipalities across the nation are choosing to upgrade their car parking there isn't much use for these posts, until now. For the same price it costs to remove the unused posts we can turn them into bicycle parking for the future.
