

## Notice of Development of the Merrimack Valley Metropolitan Planning Organization (MVMPO) Metropolitan Transportation Plan (MTP)- MVision 2050

The Merrimack Valley Planning Commission is now preparing the draft version of the **Merrimack Valley Metropolitan Planning Organization (MVMPO) Metropolitan Transportation Plan (MTP) MVision 2050**

We want your input as we begin planning for the future of transportation in your region. Please take our survey at [survey.mvpc.org/MVision2050](https://survey.mvpc.org/MVision2050).

The MTP examines the existing multimodal transportation network in the region, identifies problems that will require improvement, and outlines possible courses of action to facilitate improvements. The MTP identifies transportation projects and estimates available funding resources through the year 2050.

A draft version of the above document will be released for public review and comment next year. If you have any suggestions for projects/studies to be included in the MTP, please contact Anthony Komornick, MVPC Transportation Program Manager, at [AKomornick@mvpc.org](mailto:AKomornick@mvpc.org) or at (978) 374-0519 by December 1, 2022.

This Notice, prepared in accordance with the Merrimack Valley MPO's Public Participation Plan, also satisfies the Merrimack Valley Regional Transit Authority's public participation process for the development of its Program of Projects.

A copy of the previous version of this document may be found on the MVPC's website: [2020 Merrimack Valley RTP](#).
