The above referenced amendments are available for review on the Merrimack Valley Planning Commission (MVPC) website (www.mvpc.org) for the twenty-one (21) day review period beginning on February 2, 2022 and ending on February 22, 2022.

The MVMPO staff will accept emailed written comments on the Draft amendments through February 22, 2022. Public comments must be submitted to: akomornick@mvpc.org.

The MVMPO expects to take action on the above amendments at its late February meeting (check www.mvpc.org toward the end of the review period for recent news regarding the MPO VIRTUAL meeting. Members of the public are invited to JOIN the VIRTUAL meeting. Comments on the draft document will also be accepted orally at this meeting. In the event that further amendments to the document are recommended, the draft document will be re-released for public comment in accordance with the MVMPO Public Participation Plan.

Notice: The Virtual Public Hearings are accessible to people with disabilities and individuals with limited English proficiency. The MVMPO provides reasonable accommodations and/or language assistance free of charge upon request (including but not limited to interpreters in American Sign Language and languages other than English, CART, translated documents, open or closed captioning for videos, assistive listening devices and alternate material formats, such as audio tapes, Braille and large print), as available. For accommodation or language assistance, please contact Anthony Komornick by email at akomornick@mvpc.org . Requests for accommodation

or language assistance should be made as soon as possible, preferably at least 10 days prior to the meeting.

The UPWP presents information on the transportation planning activities that will be carried out in the MVMPO region over the federal fiscal year (October 1, 2021 – September 30, 2022). Most of these analyses and studies will be conducted by the transportation planning staff of the Merrimack Valley Planning Commission. However, other important studies that impact the region, including studies conducted by other agencies, are also identified and briefly described.
