

# PUBLIC INFORMATION MEETING

## MassDOT Project #607710 - Reconstruction & Related Work on Route 1A, in Salisbury, MA

### What is happening?

The proposed project consists of the reconstruction of a portion of Route 1A (North End Boulevard) in Salisbury; construction of a shared use path including crossings; sidewalk and pedestrian curb ramp construction; reconstruction of driveway aprons; removing and replacing guardrail and fence as needed; adjusting, cleaning, rebuilding, and upgrading drainage structures; replacement of drainage structure frames, grates, and covers as needed; removing and resetting granite curbing; replacing any broken granite curbing; removing and resetting of traffic signs; placing final pavement markings; and completing incidental items and as required by the Engineer. Bicycle accommodations consisting of a shared use path have been provided in accordance with applicable design guides.

### How will this affect you?

Construction start date of the proposed project has not been set yet since it is currently in the preliminary design stage.
